Like all armed security forces, they'll retreat if they are outmanned and outgunned without a single shot fired ...

What's the strength of DC security forces? 2k? 3k? With maybe some air support and 5-10 armored vehicles?

How many patriots will show up ... what will their behavior be when they face a 5-10k force backed by 2 million

How many men does it take to properly overturn an armored vehicle?
